Equinely-Inclined Podcast

Check out Jay's audio podcast for Equinely-Inclined critiquing the three competing trainers at this years Mane Event Trainers Challenge in Red Deer. Jay is candid and informative discussing each trainer's technique and approach as they work with their young horses, trying to build on successful training outcomes and create a 'made' horse by the end of three days.

Three trainers, three horses, three judges and our own secret insider, Jay O'Jay!
